

1 July 1958

MEMORANDUM FOR: Assistant Director for Research and Reports

SUBJECT: Proposal for Reallocation of Responsibility  
for Production of Certain Chapter VI  
Subsections on Sino-Soviet Bloc Areas

REFERENCE: Your memorandum of 5 May 1958

1. By memorandum of 22 May 1958 I transmitted reference proposals, as modified by understanding reached at our meeting of 13 May 1958, to Colonel David H. Smith, Army member of the NIS Committee. His reply of 23 June 1958 is attached.

2. Army's position leaves little room for maneuvering. The conditions which Army attaches to the reallocation of Subsection 64I would be unacceptable to State. I intend to talk over the matter with Colonel Smith next Monday, 7 July, but he has already indicated that he fully stated Army's position in his memorandum of 23 June.
